

WELCOME to Barina Milpara Lodge in the beautiful Kosciuszko National Park.

By making a booking, you have indicated that you accept the terms and conditions of the lodge.

If there is anything else we can help you with, please contact the Sydney Booking Office on 02 9949 3366.

HOW TO GET TO THE LODGE

There are three stages to the journey if travelling by car.

1. From Sydney, travel to Canberra (about 3 hours) then to Cooma and Jindabyne (another 2½ hours).

2. After Jindabyne, take the road signposted to the Skitube. With no overnight parking at Perisher, the Skitube railway is the

access route to the Kosciuszko National Park. The Skitube station is located below the snowline, so snow

chains are not required. Parking is free and the car park is security patrolled.

The Skitube runs 24 hours. A train leaves about every 20 minutes while the journey itself takes about 15 minutes. Guests need to be at the Skitube station by 5:00pm in order to arrive at the lodge in time for dinner.

Luggage restrictions apply between 8:20am - 10:00am and 3.32pm - 4:52pm during the peak season, though they are rarely enforced.

3. At Perisher, proceed to the Hans Oversnow Transport desk located in the terminal building. Give your name and the number of adult and child passengers and wait for Barina passengers to be called. The cost of this service is included in the holiday package.
